

## Agency Experience

### BrandScope / Senior Designer

Chicago, Illinois / September 2002 – January 2004

Responsible for projects from concept to production. Projects covered a wide variety of disciplines including branding, identity, nomenclature, packaging, print, and web. Worked closely with clients, vendors, and printers. Teamed with product design group to develop packaging structures and point-of-purchase displays. Was also responsible for creative photography on various projects and ongoing documentary photography of studio projects.

Clients: AOSafety, Kaleidoscope, Optimus Recruiting, Radio Flyer, Wrigley.

### Magrisso Group / Designer

Evanston, Illinois / February 2001 – March 2002

Responsible for design and production of projects spanning an array of disciplines including consumer research, identity, packaging, print, and web.

Clients: Capital Trust, Healthy Choice (ConAgra), Equity Residential, Motorola.

### LAGA / Designer

Northbrook, Illinois / November 1998 – February 2001

Contributed to a wide array of individual and team-based projects spanning varied disciplines including web design and development, multimedia design and implementation, annual report design, corporate identity, packaging design.

Clients: Allegiance Healthcare, Dade Behring, Le Creuset, S.C. Johnson.

### Paetzold Design / Designer

Batavia, Illinois / June 1998 – November 1998

Contributed to design and production of integrated branding projects including book jackets, CD packaging, point-of-purchase, and catalogs.

Clients: Tour Edge Golf, Tyndale Publishing, Willow Creek Association.

## Independent Experience

### Design Integrity Corporate Communications

Worked with product design and engineering firm to develop a comprehensive self-promotion package and brochure. Worked closely with DI partners to understand their business and market segment and develop a program that would leverage their expertise and differentiate them from their peers.

### TPH Global Solutions Corporate Identity / Advertising

Redesigned corporate identity for TPH Global Solutions, formerly The Packaging House, as they made the transition to their new name and image. Extended new identity to business collateral system and designed print advertising.

### Micky Bell Inc. Brand Identity / Print / Catalog / Web

Worked from project inception with Micky Bell Inc. to develop a brand identity for their unique line of Tolly Personal photobags. Worked closely with client to establish a brand essence and visual vocabulary for all areas of communications. Designed print collateral, product catalog and e-commerce web site.

### Freelance

Designed for multiple Chicago-area agencies on short and long term freelance basis in a senior design capacity. Contributed to diverse projects including print, packaging, web and identity.

Agencies: Aspire!One, BrandScope, Coleman Partners, Design 360°, Fly Design, Gebhardt Kraus & Associates.
